Allowed Claims: 1-16, 50-74.

Reasons For Allowance

The following is an examiner's statement of reasons for allowance: none of the prior art either alone or in combination disclose or teach of the claimed combination of limitations to warrant a rejection under 35 USC 102 or 103. Specifically, with reference to independent claim 1, none of the prior art either alone or in combination disclose or teach of the claimed method of making a colored contact lens specifically including, as the distinguishing feature in combination with the other limitations, the claimed ink jet printer printing pixels of less than 150 microns in diameter and spacing the pixels less than 80 microns from each other. Specifically, in reference to independent claim 13, none of the prior art either alone or in combination disclose or teach of the claimed method of making a colored contact lens, specifically including, as the distinguishing feature in combination with the other limitations, the claimed binding solution comprising at least one hydrophilic monomer and at least one hydrophobic monomer.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Jordan M. Schwartz whose telephone number is (571) 272-2337. The examiner can normally be reached on Monday to Friday (8:00-5:30), alternate Fridays off.
